

# A "New Era" has begun at AnJo Park

We are happy to announce our partnership with the **New Era Cap Company** and their New Era Park program.

New Era is the official cap of Major League Baseball (MLB). Headquartered downtown and committed to Buffalo, they manufacture all of MLB's caps as well as many other pro and college sports teams. They bring a wealth of resources to AnJo Baseball, including a substantial commitment to renovate our facility and fields. New Era plans to make AnJo Park and Sports Complex their home for more than 10 summer tournaments and numerous future events. This combined with our rich history of youth baseball in Lockport dating back to 1951 make us a wonderful organization dedicated to your children!
